Education

University of Bern

Ph.D. Computer Science
March 2022 | Bern, Switzerland

University of Paderborn

M.Sc. in Computer Science
March 2018 | Paderborn, Germany

University of Mumbai

B.E. in Computer Science
May 2011 | Mumbai, India

Experience

University of Applied Sciences and Arts Northwestern Switzerland (FHNW) | Research Associate

Mar 2022 – Present | Brugg, CH

- Led multiple industry collaborations from problem identification through solution validation
- Coached multiple Scrum teams in Agile practices, with a focus on Scrum, to deliver industry-grade projects
- Co-instructed multiple courses: BSc Requirements Engineering, the CAS Digitalisation & Sustainability, and Software Engineering (Construction) for Medizininformatik

University of Bern | Research Assistant

Feb 2018 – Feb 2022 | Bern, CH

- Mentored 50–60 students annually through all phases of software projects, including requirements gathering, prototyping, implementation, and testing
- Instructed the Software Engineering Seminar (BSc/MSc), exploring research trends and guiding prototypical solution development

ActiDo GmbH | Web Developer

Jan 2017 – Jan 2018 | Paderborn, DE

- Developed responsive web application front-ends using React, HTML, and CSS based on detailed design specifications

University of Paderborn | Research Assistant

Jan 2016 – Jan 2018 | Paderborn, DE

- Collaborated with Volksbank clients to gather requirements and developed a single-page sports application using Angular and Django Rest Framework

Infosys Ltd. | Systems Engineer

Jan 2012 – Jan 2014 | Pune, IN

- Contributed to product lifecycle management platforms, including Windchill, and developed a web application for Cox Communications

Miscellaneous & Awards
